ABOUT US

PT. MARZ WIJAYA INTERNASIONAL was founded by native Indonesians, starting from seeing that Indonesia has great potential from natural products and good quality but has not been exploited properly and optimally.

Therefore, we wish to advance the economic level of farmers for the better so that there will be families who have sufficient income and will open up more jobs.

We believe in the quality of products from Indonesia, which has fertile land and a good climate. We hope to be a good partner for other businesses.

VISION & MISSION

VISION

“To become a superior, trusted and reliable export-import company that brings benefits to religion, the state, stakeholders and the wider community”
