

INFORMATION PORTAL FOR FOREIGNERS

FOR EMPLOYERS

Do you employ or plan to employ foreigners in your company?

Use the Information Portal for Foreigners as a source of useful information regarding their stay in the Czech Republic or their access to the labour market.

On the Portal, your employees will also find information on their rights and obligations associated with their stay in the Czech Republic.

Your employees can create their own user account on the Portal. Through this, they will be able to book appointments at the Ministry of the Interior's office or manage their appointments easily online.

The Portal is also available **in English**.

Information for foreigners:

- Forms and documents available for download
- General information on types of visas and residencies or on legal obligations
- Reservation system allowing to book an appointment at the Ministry of the Interior

Do you have employees with temporary protection visa?

You can find all information about this residence permit here.
