About the Committee for Sustainable and Ethical Production

Members of the Czech Technological Platform for Food and the Federation of the Food and Drink Industries of the Czech Republic established the committee in mid-2018 as part of priority E. Sustainable Food Production. Its mission is to address topics linked to sustainability, which has become important for food producers. The Committee for Sustainable and Ethical Food Production focuses on common sustainability development objectives. Committee objectives:

- Motivation to maintain and create sustainable growth, to meet the needs and demands of the population and consumers, i.e. to provide healthier and more sustainable food;
- Communication and sharing of environmentally-friendlier techniques and new approaches with a focus on the circular economy and sustainable food production;
- Monitoring and participating in the development of environmental indicators;
- Educating the public in cooperation with academia and the relevant ministries.
